

To Whom It May Concern,

Thank you so much for your interest in supporting the Middle Tennessee Eventing Association. MTEA is a labor of love formed by several eventers from different barns across Middle Tennessee, and 2019 is our first official year in existence.

The main goal of MTEA is to unite the eventing community and promote both horsemanship and sportsmanship. Because of MTEA, riders from throughout Middle Tennessee are able to come together at 6 different shows throughout the season and cheer each other on. Riders set goals, overcome challenges and progress through the year.

We are open to all ages and skill levels of riders- these levels coincide to those offered by the United States Eventing Association. As a fledgling organization we decided to focus our efforts this year on a comprehensive show calendar and a year-end banquet with awards for as many members as possible, giving each grouping an award for champion through fifth place. In addition to performance related awards, we offer several special awards for horses and riders with special attributes to recognize, like a leased horse or the oldest mount.

Because this is our first year, we want our banquet to be a wonderful celebration for all the members of MTEA and others from the eventing community. We are hoping to find sponsors for several things to help this event go off without a hitch! In addition to financial sponsors, we are looking for silent auction items to raffle, as well as door prizes. Your donation will help support our goal for 2020: to bring in an upper level eventing clinician and be able to offer a discount to MTEA members who choose to ride.

If you're interested in supporting the Middle Tennessee Eventing Association in its first year (and beyond!) please review the list below and contact Cathryn Alexa Brekken with your commitment. We are so pleased that MTEA has had a wonderful first year and hope to see more growth as we learn how to best serve the eventing community.

Thank you so much for your support,  
Middle Tennessee Eventing Association
